SPRING & SUMMER 2011

GORGEOUS BAG - SENSATIONAL PRICE

Welcome to our Spring Summer 2011 collection

As the Gabriella brand moves from strength to strength the name has become synonymous with beautifully designed handbags with their own uniquely distinctive handwriting and individuality.

The summer range is again totally feminine with gorgeous designs emphasising style and detailing. Colours mirror the main fashion colours of Spring Summer 2011, denim blue, beige tones, khaki and brown tones, light grey and nautical looks.

Comprising mostly medium size bags and five stunning small styles in a myriad of colours for all occasions, this season the focus is ALL about the detailing. With studs, bows, frills and flowers the Spring Summer 2011 Gabriella collection is uniquely stylish, fashionable and totally "girly".

Wholesale prices from £12.95 - £26.95.
